SUBJECT: ANNUAL DELINQUENT UTILITY LIEN PROCEEDING

APPROVED
BY THE CITY COUNCIL

JUN 25 1985

OFFICE OF THE
CITY CLERK

SUMMARY

This report initiates the annual delinquent utility lien proceeding.

BACKGROUND

Annually, the Director of Finance, pursuant to Subsections 19.115, 19.420, 36.564, and 47.309 of the Sacramento City Code and the Sacramento County Sanitation District Ordinance No. SRSD-3, initiates proceedings to make delinquent City utility charges a special assessment against the parcels of property situated within the City to which utility services were rendered.

The proceeding to establish the delinquent utility charges as special assessment liens involves:

1. The transmittal of a report of the delinquent charges by the Director of Finance to the City Council.
2. The establishment of a time, date, and place for hearing the report and any protests or objections thereto.
3. The mailing of a notice of the hearing to each owner of property with delinquent utility charges at least 10 days prior to the hearing.
4. The hearing of protests or objections at the scheduled hearing.
5. A determination by the City Council based upon evidence provided at the hearing and staff's research of the amounts owing that should become special assessments.

- 6. The transmittal of the special assessment liens to the County for collection by the property tax collection process.

DISCUSSION

City of Sacramento, Utility Billing System Report No. Z04R4030-B dated June 14, 1985, has been placed on file with the City Clerk. Report No. Z04R4030-B is a detailed listing, by parcel number, of the delinquent accounts recommended for special assessment liens for FY 1984/85. The following schedule compares the delinquent accounts recommended for FY 1983/84 to FY 1984/85.

The dramatic decrease in the amount recommended for lien is directly attributable to the City Council's reimposition of the water service shut-off policy approved on April 17, 1984.

Staff is prepared to mail notices to the affected property owners on July 1, 1985 for the protest/objection hearing to be held by the City Council at 7:30 p.m., July 16, 1985 in the City Council Chambers.

RECOMMENDATION

It is recommended that the City Council:

- 1. Adopt the attached resolution which establishes 7:30 p.m., July 16, 1985 in the City Council Chambers as the time, date, and place for hearing any protests or objections to the Director of Finance's proposed utility charge special assessment liens for FY 1984/85.

- 2. Direct staff to mail notices of the hearing to the affected property owners on or before July 1, 1985.

Respectfully submitted,

Honorable Members in Session:

SUBJECT: ANNUAL DELINQUENT UTILITY LIEN PROCEEDING

SUMMARY

The attached report initiates the annual delinquent utility lien proceeding.

DISCUSSION

The dramatic decrease in the amount recommended for lien clearly demonstrates the effectiveness of the water shut-off program approved by the City Council on April 17, 1984. The amount of delinquency vs. the total annual billings reduced from 5.3% for FY 1983/84 to the present 2.6% for FY 1984/85. Staff anticipates a further reduction of this ratio to 2.0% by the end of FY 1985/86.

RECOMMENDATION

It is recommended that the Budget and Finance Committee recommend that the City Council adopt the staff recommendation of the attached report.

Respectfully submitted,

MICHAEL L. MEDEMA
Revenue Officer
