Honorable Members in Session:

SUBJECT: Joint Use and Development Agreement with the Natomas Union School District

SUMMARY

This report recommends that the City Manager, by resolution, be authorized to execute an agreement between the City and Natomas Union School District for the use and development of certain school and City facilities for community recreation purposes. The agreement is on file in the City Clerk's office.

BACKGROUND INFORMATION

This agreement is designed as a blanket open-ended document covering the basics of joint use and development including fee-exempt usage of each agency's facilities by the other and provisions for continued joint development of facilities. It is anticipated that specific program proposals and/or specific site improvements will be covered by separate agreement or addendum to this main agreement.

FINANCIAL DATA

There is no financial commitment on the part of the City for use of facilities and only the appropriated costs for each site park development as approved at some later date by the City Council.

RECOMMENDATION

It is recommended that the City Council, by resolution, authorize the City Manager to execute a joint use and development agreement with the Natomas Union School District.
