Honorable Members in Session:

**SUBJECT: Rio Linda Boulevard Bridge at Linda Creek (PN:TC26) - Amendment #1  
to Consultant Services Agreement-No: 86153 - Dated March 3, 1987**

**APPROVED**  
BY THE CITY COUNCIL

MAY 10 1988

SUMMARY

OFFICE OF THE  
CITY CLERK

The Consultant Services Agreement between Bruce Fraser and Associates and the City to provide design services for the rehabilitation of the Rio Linda Boulevard Bridge at Linda Creek requires an amendment. This amendment would provide for additional services necessary to complete the design of the subject bridge and transfer the consultant services agreement to the new owner of the firm, Greiner Inc.-West Coast. Authorization to execute this amendment is recommended.

AG 87265

BACKGROUND

The City previously entered into Consultant Services Agreement No. 86153 with Bruce Fraser and Associates for the design of the Rio Linda Boulevard Bridge Replacement at Linda Creek. The consultant had completed the draft plans, specifications, and estimates when it was determined that the bridge would have to be redesigned to a higher elevation in order to conform with the new Corps of Engineer flood elevation projections. As a result, the Consultant Services Agreement needs to be amended to allow for the additional costs for this redesign. Effective April 1, 1988, Greiner Inc.-West Coast purchased all interest in this agreement from Bruce Fraser and Associates (see attached letter). Therefore, all remaining interest, including Amendment #1, should be transferred to Greiner Inc.-West Coast.

FINANCIAL

This project is included in the Capital Improvement Program with a budget of \$900,000, with \$50,000 from Gas Tax Funds, \$200,000 from Major Street Construction Funds, and \$650,000 from Capital Grants. As of May 4, 1988, there remains \$851,301 available for the project. The current agreement is in the amount of \$37,774 and the amendment is for \$18,997, resulting in a total agreement cost of \$56,771.
