Honorable Members in Session:

Subject: Report on Bids for Landscape Improvement at Coloma  
Community Center

### SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the Director of Public Works recommends that this report be filed pending recommendation of bid award at a later date.

### BACKGROUND:

On May 1, 1984, the City Council approved plans and specifications for Landscape Improvement at Coloma Community Center and bids were received and opened by the City Clerk in the Council Chambers on May 22, 1984. The bids received are as follows:

Cioli Construction, Inc.	\$197,797.75
Leo Landscape Construction	\$200,715.00
Cioli & Sons Construction	\$206,704.80
Gus Navarrete Landscaping	\$218,185.00

The engineer's estimate for this project was \$225,285. Even though the low bid is 12.20% below the engineer's estimate, an additional analysis of the project and the bids is necessary before a valid recommendation can be made.

### RECOMMENDATION:

The Director of Public Works recommends that this report be filed and recommendation of bid award be made at a later date.
