Thos. M. Whitfield
 Owner or Owner's Representative.

Plans must be submitted

1. The first part of the document is a header section containing the title and the author's name. The title is "The Impact of Climate Change on the Environment" and the author is "John Doe".

2. The second part of the document is an introduction section. It discusses the importance of understanding the impact of climate change on the environment and the need for action to mitigate its effects.

3. The third part of the document is a body section. It is divided into several paragraphs, each discussing a different aspect of the impact of climate change on the environment. The first paragraph discusses the impact of climate change on the atmosphere, the second paragraph discusses the impact on the oceans, and the third paragraph discusses the impact on land ecosystems.

4. The fourth part of the document is a conclusion section. It summarizes the main findings of the document and emphasizes the need for action to mitigate the impact of climate change on the environment.

5. The fifth part of the document is a list of references. It includes a list of books, articles, and websites that were used in the research for this document.
