

RESOLUTION 2025-0315

Adopted by the Sacramento City Council

December 2, 2025

Master Agreement for Vocational Training with Los Rios Community College District

BACKGROUND

- A. The current vocational training services agreement (2020-1347) with the Los Rios Community College District (District) will expire June 30, 2025. The District wishes to enter into a new agreement with the Sacramento Police Department (SPD) to continue vocational training services. The proposed agreement will continue the SPD-District collaboration with developing and providing college curriculum that meets professional standards set by the California Commission on Peace Officer Standards and Training (POST).
- B. The proposed agreement will provide financial resources to continue SPD's operation of the basic police academy and in-service training; without it, academy and in-service training operations would have to cease entirely or be supported with financial resources from the City.
- C. The reimbursements received from the District will offset costs associated with the agreed-upon vocational training services as well as related equipment, services, and supplies.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

SECTION 1.

The City Manager, or designee, is authorized to execute an agreement with the Los Rios Community College District to receive reimbursement for law enforcement vocational training services from July 1, 2025, thru June 30, 2026, with options for four one year extensions.

SECTION 2.

The City Manager, or designee, is authorized to increase the Los Rios Vocational Training externally funded program (EFP) (E11006500) revenue and expenditure budgets by \$750,000 annually, not to exceed \$3,750,000.
