Mrs. Rudin:

Thankyou for the opportunity to serve as a member of the Sacramento Employment and Training Advisory Council. I will be resigning from my services as a Board member effective the date of this letter. An unexpected increase in my current work force me to curtail my volunteer services and concentrate on the recent developments in refugee services, which I am sure you are aware of, both politically and socially for our community.

It has been a rewarding experience contributing to my professional and personal career, in serving the employment and training needs of Sacramento. I look forward to working with you in the near future.

Sincerely,

Timothy Shironaka
