City Council  
Sacramento, California

Honorable Members in Session:

SUBJECT: Water Main Installation in Folsom Boulevard 400' East of Julliard

### SUMMARY

The Division of Water & Sewers has prepared plans and specifications for the subject project. It is recommended that the plans and specifications be approved and the project be advertised for bid.

### BACKGROUND

Development of the water distribution system along Folsom Boulevard has proceeded in stages with individual developers installing portions of the system along their frontage. This has resulted in several "dead end" water mains along Folsom Boulevard. The current developer has paid his share of this project based on a front footage percent of the Engineer's estimate. Adjacent parcels in this case already have service from a separate distribution main. There is no further development anticipated for these parcels and no reasonable expectation of these owners participating in any distribution main extension in the near future.

The proposed project will provide a new tie to a major water transmission main. This will eliminate the "dead end" main situation at this location, enhance the system reliability in the general area, and improve fire protection for the area.

### FINANCIAL

Sufficient funds are available for this project in the Water Distribution Capital Improvements Budget, 4-13-3030-1505-4820. The Engineer's estimate for the project is \$9,250.00.

### RECOMMENDATION

It is recommended that the Council approve the plans and specifications and that bids be received on October 7, 1980.

Respectfully submitted,

*Harry G. Behrens*  
Harry G. Behrens, Manager

Recommendation approved,

**APPROVED**  
BY THE CITY COUNCIL

OFFICE OF THE  
CITY CLERK

September 16, 1980  
District #1

NOTICE TO CONTRACTORS

Sealed Proposals will be received by the City Clerk of the City of Sacramento at the Office of the City Clerk, Room 308, City Hall, located on I Street between 9th and 10th Streets, up to the hour of 10:00 a.m. on OCTOBER 7, 1980, and opened at 10:15 in the Council Chambers, City Hall, for:

WATER MAIN INSTALLATION IN FOLSOM  
BOULEVARD, 400' EAST OF JULLIARD

as set forth in plans and specifications adopted on SEPTEMBER 16, 1980.

All such proposals received and any work performed thereunder must comply with the requirements of Chapter 58 of the Sacramento City Code (Ordinance No. 3129 Fourth Series).

Bids must be submitted on printed forms supplied by the City Clerk without charge to prospective bidders and enclosed in an envelope marked Sealed Proposal for

WATER MAIN INSTALLATION IN FOLSOM  
BOULEVARD, 400' EAST OF JULLIARD

All contractors, subcontractors and all concerned must comply with the rate of wages per hour as established by the Director of Industrial Relations under provisions of Sections 1770 and 1773 of the Labor Code of the State of California, a copy of which is on file in the Office of the City Clerk; or such other rate of wages as may hereafter be established by the Director of the Department of Industrial Relations in compliance with Section 1770 of the Labor Code of the State of California.

Each bid must be accompanied by cash, cashier's check, certified check, or bid bond made payable to the order of the City Director of Finance in the sum of ten percent (10%) of the aggregate of said proposal.

The right to reject any and all bids or to waive any informality in any bid received is reserved by the City Council.

LORRAINE MAGANA  
City Clerk
