Honorable Members In Session:

**SUBJECT: Reimbursement Agreement No. 87258, Lake Front Drive Bridge -  
Resolution Authorizing Disbursement of Funds**

**SUMMARY**

Funds are now available for a partial reimbursement to the developer for the construction of the Lake Front Drive Bridge. Authorization to disperse the funds is recommended.

**BACKGROUND**

The Lake Front Drive Bridge was constructed by the developer, L&P Land and Development Inc., in accordance with Reimbursement Agreement No. 87258. Under the terms of the agreement, the City will reimburse the developer as funds become available in the Bridge Construction Fund (249).

**FINANCIAL**

The amount remaining to be reimbursed to L&P Land Development, Inc. is \$55,015. However, at the present time the balance in the Bridge Construction Fund (249) is only \$43,000, which must be split between this developer and another developer. Therefore, a payment of \$21,500, will leave a balance to be reimbursed in the future of \$33,515.

**RECOMMENDATION**

It is recommended that the City Council by adoption of the attached resolution authorize the City Manager and Director of Finance to expend \$21,500 of Bridge Construction Funds (249) to partially reimburse L&P Land Development Inc. for the construction of the Lake Front Drive Bridge.
