Honorable Members in Session:

Subject: Recommendation of Bid Award for Gutter Drain Replacement, Downtown

SUMMARY:

The subject project, as a part of the City's Capital Improvement Program has been advertised for bids. Bids have been received and the City Engineer hereby recommends bid award.

BACKGROUND:

On October 12, 1982, the City Council approved plans and specifications for the Gutter Drain Replacement, Downtown and bids were received and opened by the City Clerk in the Council Chambers on November 2, 1982. Bids received are as follows:

Forest Land Grading and Paving	\$ 119,690.00
Mike Maletic Construction, Inc.	121,599.00
Estrada Engineering	129,350.00
William Morris Construction Co.	131,079.00
Jedco Excavators	136,228.00
Arnold Zwankhuze	165,578.00
J. D. Fine Construction	167,173.00
Dig-It Eng. and Const. Co., Inc.	167,626.00
Granite Construction Co.	207,414.00
CFB Construction	255,675.00

The engineer's construction estimate for this project was \$109,489.00. Although the low bid of Forest Land Grading and Paving in the amount of \$119,690.00 is 9.32% over the engineer's estimate, we feel it is the best bid obtainable.

FINANCIAL DATA:

The subject project is not budgeted at the present time. The Budget and Finance Committee approved at their October 4, 1982 meeting staff's recommendation to transfer funds from the FY 1982-83 Miscellaneous Drainage Facilities to cover the cost of this project.
