Dear Members of Law & Legislation Committee,

On behalf of Common Cause and the League of Women Voters, we are excited and supportive of the direction the ethics package is going! We understand from staff that this is only a preliminary draft; we look forward to seeing the full proposal at the next L&L meeting. In revisiting, we'd urge L&L and staff to add some Policies elements into the Code (eg Nepotism) and not create an unusual enforcement exemption for ethics.

Sincerely,

--Nicolas Heidorn
