SUBJECT: J Street and American River Levee Bikeway (PN:HA11) - Approval of
Change Order 2 and Contract Completion

SUMMARY

The work on the J Street and American River Levee Bikeway Project was completed on August 3, 1987 at a cost of \$78,877.70 and acceptance is recommended.

BACKGROUND

Granite Construction Company of Watsonville has completed the above referenced project under Project No. HA11, Council Contract No. CO86077, dated May 15, 1987. Change Order 2 is a balancing change order in the amount of \$3,191.70. Balancing Change Order 2 included \$745 in minor extra work that was necessary to enhance the safety of the project site.

This project provided for the construction of a bike trail along J Street from the Esplanade at California State University, Sacramento, to the H Street Bridge and then south along the top of the levee past the Guy West Bridge to Alumni Grove.

FINANCIAL

Funds currently budgeted to this project are sufficient to cover Change Order 2 and to finalize the project.
