ASSISTANT CITY ENGINEER

August 11, 1982

City Council  
Sacramento, California

Honorable Members in Session:

SUBJECT: Report on Bids for Slurry Sealing of Various City Streets

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On July 20, 1982 the City Council approved plans and specifications for Slurry Sealing of Various City Streets and bids were received and opened by the City Clerk in the Council Chambers on August 10, 1982. The bids received are as follows:

Cal. Pavement Maintenance Co., Inc.	\$ 189,284.00
Graham Contractors	204,259.00
Valley Slurry Seal Co.	212,046.00

The engineer's estimate for this project was \$209,650.00. Although the low bid is 9.71% below the engineer's estimate, an additional analysis of the project and the bids is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted,

*M. H. Johnson*  
for J. F. VAROZZA  
City Engineer

Recommendation Approved:

*Walter J. Stipe*  
Walter J. Stipe, City Manager
