FRANK MUGARTEGUI
DIRECTOR

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: PURCHASE OF AQUATECH C-2000 SEWER CLEANER

SUMMARY

The Fleet Management Division has a requirement for the purchase of one (1) each sewer and manhole cleaner. It is recommended that, in the best interests of the City, the City Council suspend formal competitive bidding for this requirement.

BACKGROUND INFORMATION

The FY 1984-85 Fleet Management Division's Equipment Replacement Budget provides for the replacement of Equipment #3806. In FY 1983-84 Western Traction Company was successful on being awarded the Bid (No. 640) for one (1) Aquatech C-2000 Sewer Cleaner. Upon learning of the City's need for another replacement unit in FY 1984-85, Western Traction Company offered to extend the same terms and conditions as set forth in Bid No. 640. The Fleet Management Division contacted the three (3) unsuccessful bidders on Bid No. 640 and confirmed that they would not meet Western Traction Company's bid. The Fleet Management Division recommends that it would be in the best financial interests of the City to accept Western Traction Company's offer, in lieu of formally bidding this requirement in the latter part of FY 1984-85.

FINANCIAL DATA

The total cost of this requirement is \$101,387.94. Sufficient funds are available in the Fleet Management Divisions's current FY 84-85 Replacement Budget.

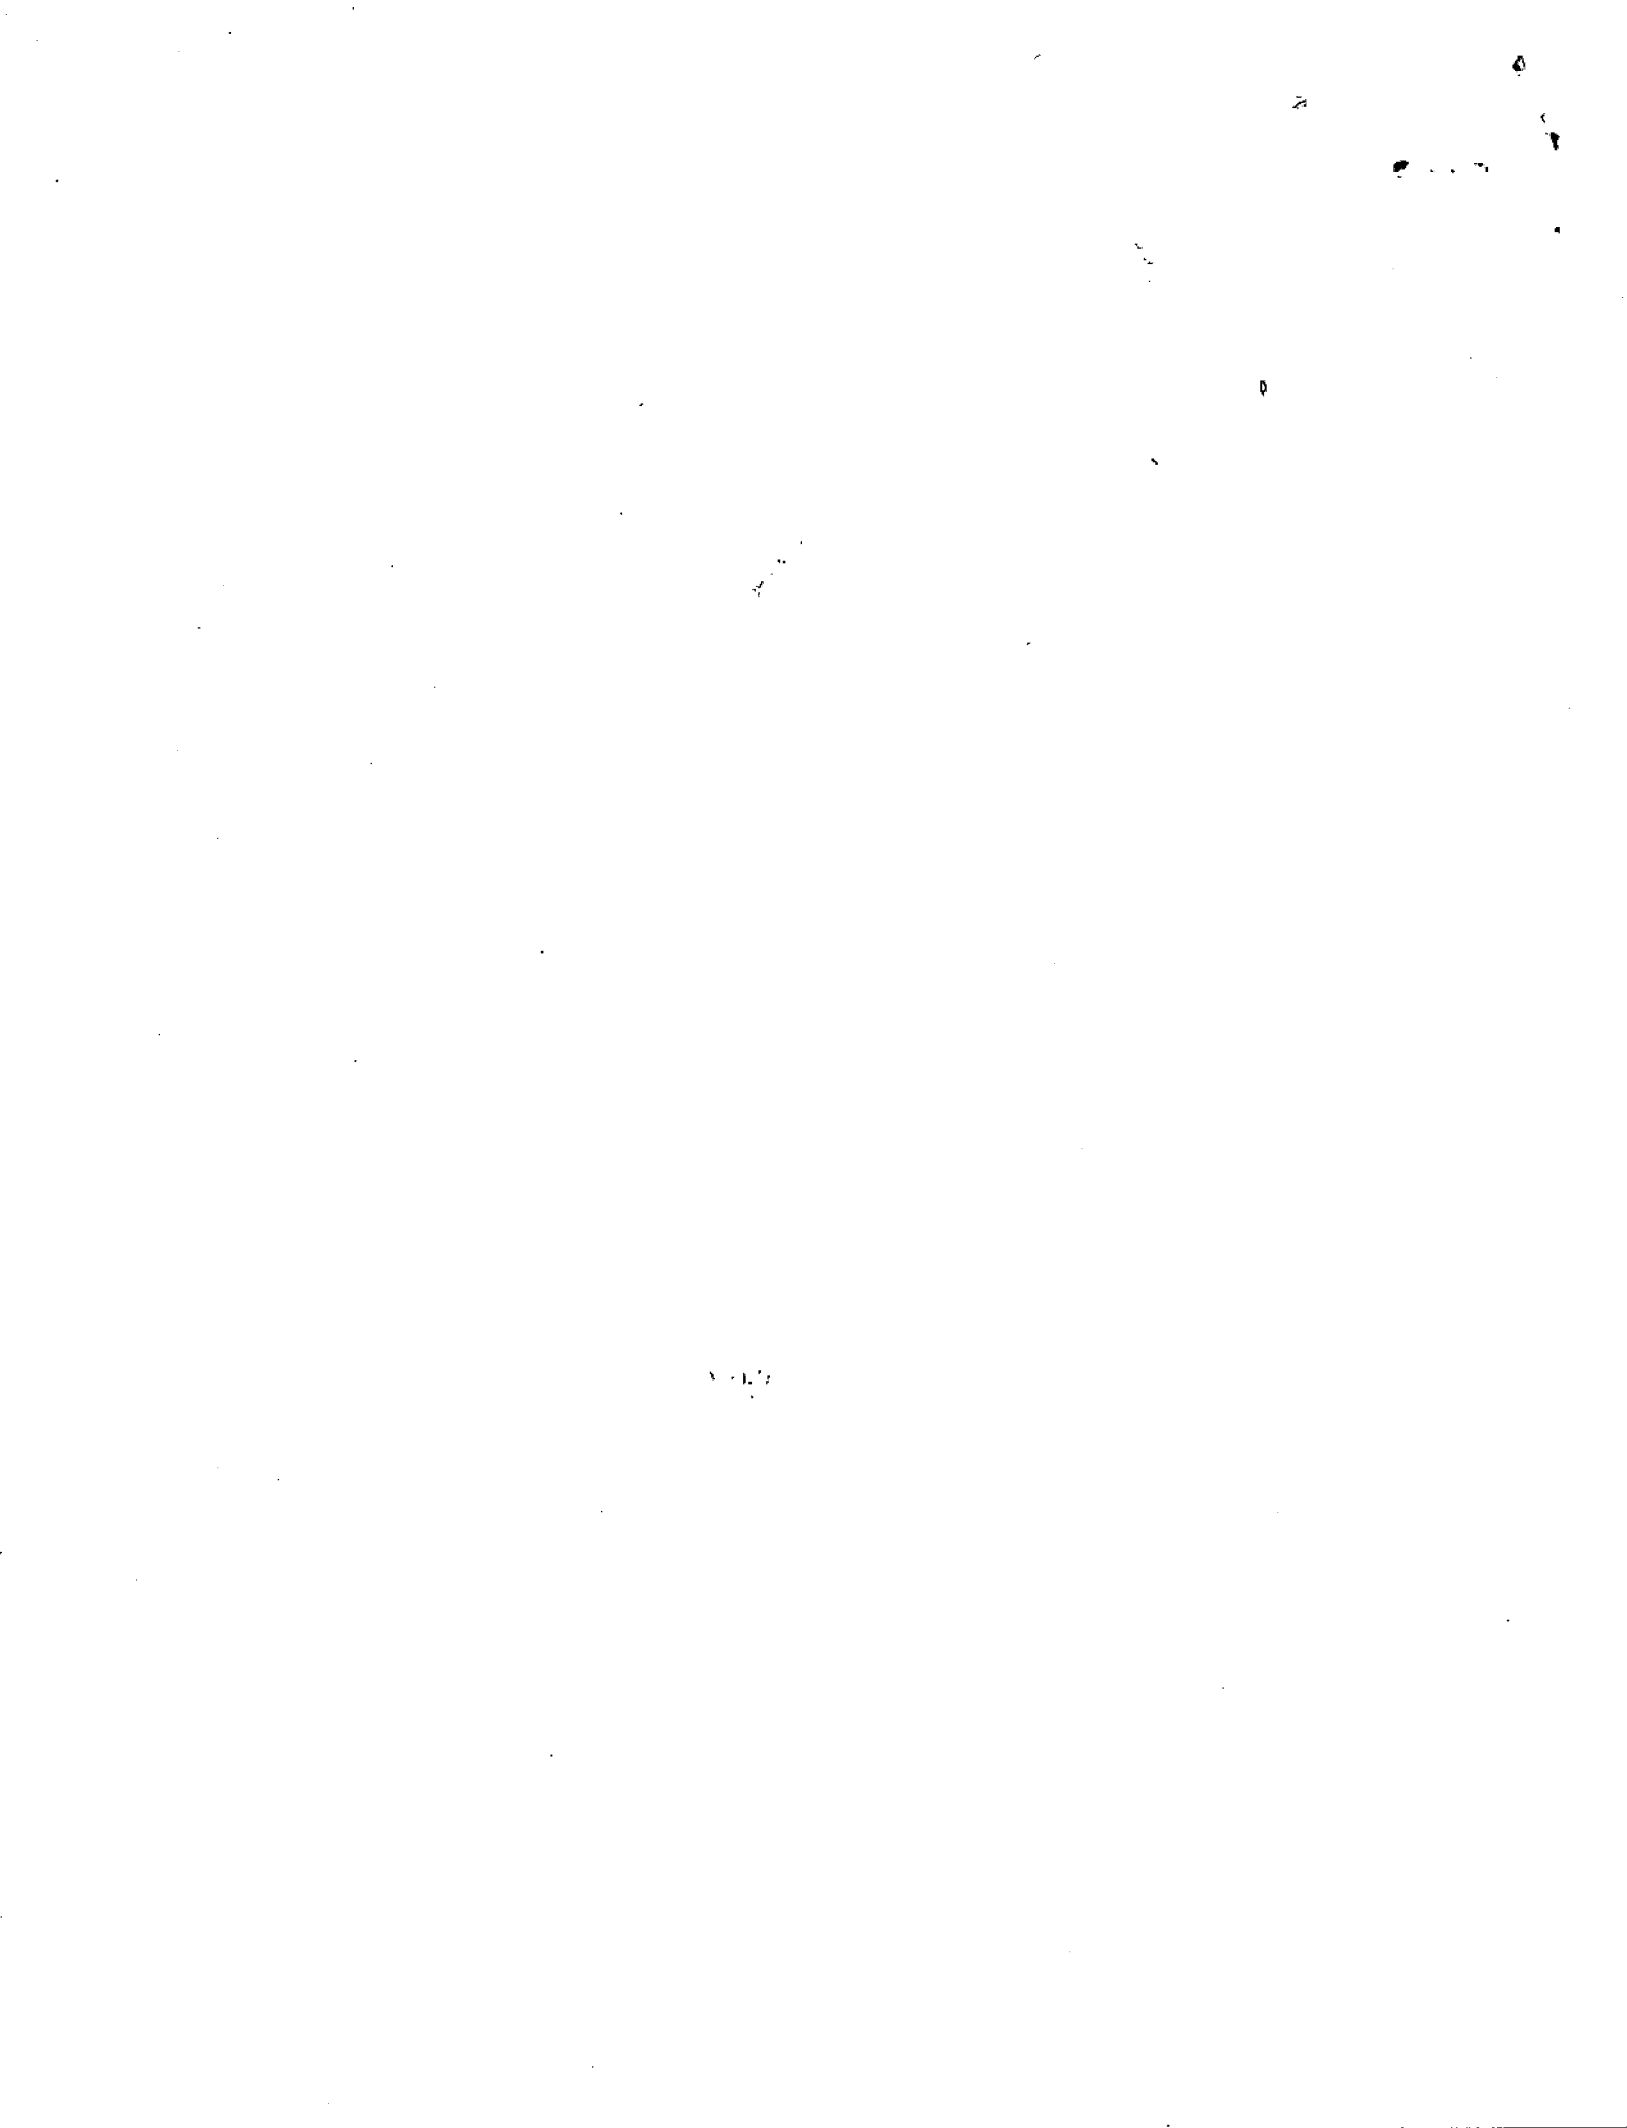

RECOMMENDATION

It is recommended that the City Council adopt a resolution suspending formal competitive bidding for one (1) Aquatech C-2000 Sewer Cleaner and authorizing the
