Hello,

I'd like to propose a discussion item/query for the next council meeting:

**Are seating Council members required to live in the district they are representing? How is this verified and enforced?**

I would argue that they should if they are not already required to do so, in both good faith and to the benefit of their constituency.

Councilman Loloee appears to live in Granite Bay; not Del Paso Heights. Would you verify the Councilman's residence? I'm unsure if this is public record, due to privacy and safety concerns, but internally, this should be verifiable and acted upon by the council as a whole.

Thanks! If I don't hear from you I'll assume this email is a dead end. Acknowledgment, at least, would go a long way.
