SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the Director of Public Works recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On June 6, 1984 the City Council approved plans and specifications for 65th Street Sidewalk Replacement, 14th Avenue to Broadway and bids were received and opened by the City Clerk in the Council Chambers on June 26, 1984. The bids received are as follows:

Teichert Construction	\$ 172,778.00
Kochoo Construction Co. Inc.	203,577.00

The engineer's estimate for this project was \$191,743.00. Although the low bid is 9.89% below the engineer's estimate, an additional analysis of the project and the bids is necessary before a valid recommendation can be made.
