**MEMORANDUM**

TO: Virginia Henry, Assistant City Clerk  
FROM: Gary Van Dorst, Solid Waste Planning Superintendent *GV*  
SUBJECT: PUBLIC HEARING NOTICE

We request to schedule a public hearing in compliance with State regulations in regard to our report recommending the City Council adopt a resolution to approve the Non-Disposal Facility Element (Revised November 1998) for submittal to the California Integrated Waste Management Board. Further, we request that the public hearing be scheduled for January 5, 1999 and that a public notice of the hearing be published in a newspaper of general circulation at least 10 days in advance of the hearing. Please note that we will need to obtain a copy of the certified public notice for our subsequent submittal of the approved NDFE to the California Integrated Waste Management Board.

For your convenience, a highlighted excerpt from the California Code of Regulations is attached. I am also attaching your copy of the revised NDFE which you should retain for public review.

Please note that this item is non-controversial. If you have any questions, please feel free to contact me at x7561.
