Title: Grant: Broadway Augmented Art Project

Location: Districts 4 and 5

Issue: The Sacramento Metropolitan Arts Commission (SMAC) was awarded a grant by the National Endowment for the Arts (NEA) to support "Broadway Augmented"--a temporary public art project--subject to the City Council's approval. The grant requires a dollar-for-dollar matching contribution from the City. Resolution 2013-0198 requires City Council approval to establish an operating grant that requires matching funds from City resources.

Recommendation: Pass a Resolution 1) authorizing the City Manager or his designee to accept \$20,000 in grant funding from the National Endowment for the Arts to support the Broadway Augmented Art project; 2) authorizing the City Manager or his designee to establish an operating grant for the Broadway Augmented Art project (G17604000); 3) authorizing the City Manager or his designee to establish grant revenue and expenditure budgets to implement the award; and 4) authorizing the City Manager or his designee to transfer \$30,500 from the SMAC General Fund operating budget to the Broadway Augmented Art project.

Description/Analysis

Issue Detail: The National Endowment for the Arts (NEA) through its Art Works grants program for Local Arts Agencies has awarded the Sacramento Metropolitan Arts Commission (SMAC) \$20,000 in grant funding, subject to the City Council's approval. This report recommends accepting the award. The award requires a dollar-for-dollar match from the City. The match requirement will be funded out of the FY2013/14 SMAC General Fund operating budget.

The grant funding will be used to support "Broadway Augmented"—a virtual and temporary public art project that can be viewed in the fall of 2014 on the Broadway corridor between 3rd and 28th Streets. The project will use augmented reality technology, supplementing a view of the physical, real-world environment with computer-generated sensory input, such as sound, video, or graphics. Using this technology is a cost effective way to produce 10 virtual works of art that can be viewed using smart phones by thousands of visitors on the corridor. The project was developed in partnership with California State University, Sacramento, the Greater Broadway Partnership, and the Sacramento Chapter of the Urban Land Institute.

Policy Considerations: City Council Resolution 2013-0198, Section 11.1(1)(b), requires City Council approval to establish a grant that requires matching funds from City resources. In addition, City Council Resolution 2013-0198, Section 11.3, requires City Council approval to establish a grant when such action is a grantor funding condition.

Economic Impacts: None

Environmental Considerations: California Environmental Quality Act (CEQA): Under the CEQA guidelines, Title 14, Section 15378(b), continuing administrative activities do not constitute a project and are therefore exempt from CEQA review.

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: Acceptance of the NEA grant to support the Broadway Augmented Art project is consistent with SMAC's mission to advance the community through arts and culture.

Financial Considerations: The total budget for the Broadway Augmented Art project is \$89,000. The NEA grant award will fund \$20,000 of the project and at a minimum must be matched dollar for dollar. The match will be funded

from existing resources within SMAC's FY2013/14 General Fund operating budget. A breakdown of project funding is as follows:

NEA Grant Award	\$20,000
SMAC General Fund Operating	\$30,500
Broadway Partnership (in-kind)	\$ 5,000
California State University, Sacramento (in-kind)	\$31,000
Friends of the Arts Commission (in-kind)	<u>\$ 2,500</u>
Total Project Resources	\$89,000

A grant operating expenditure budget of \$50,500, which excludes the in-kind contributions of \$38,500, will be established for the project. The in-kind contributions consist of donated labor, supplies, and printing and design services. A revenue budget of \$20,000 will be established for the NEA grant award.

Local Business Enterprise: Not applicable.

RESOLUTION NO. 2014-

Adopted by the Sacramento City Council

ACCEPTANCE OF GRANT FUNDS FOR THE BROADWAY AUGMENTED ART PROJECT

BACKGROUND

- A. Subject to the City Council's approval, the Sacramento Metropolitan Arts Commission (SMAC) has been awarded a grant from the National Endowment for the Arts (NEA) in the amount of \$20,000 to produce the Broadway Augmented Art project. The grant requires a dollar-for-dollar matching contribution from the City. The City desires to accept the grant and contribute \$30,500 to the project, to be funded from the FY2013/14 SMAC General Fund operating budget. In-kind contributions will also be provided by California State University, Sacramento, the Broadway Partnership, and Friends of the Arts Commission.
- B. The Broadway Augmented Art project is a virtual and temporary public art project on the Broadway corridor between 3rd and 28th Streets. The project will use augmented reality technology to produce 10 virtual works of art that will be seen by thousands of visitors on the corridor through use of their smart phones.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager, or the City Manager's designee, is authorized to accept a \$20,000 grant from the NEA to partially fund the Broadway Augmented Art project (as described in Exhibit A).
- Section 2. The City Manager, or the City Manager's designee, is authorized to establish the Broadway Augmented Art project (G17604000), effective August 1, 2013, the NEA grant support start date.
- Section 3. The City Manager, or the City Manager's designee, is authorized to establish revenue and expenditure budgets of \$20,000 to implement the award.
- Section 4. The City Manager, or the City Manager's designee, is authorized to transfer matching funds in the amount of \$30,500 from the FY2013/14 SMAC General Fund operating budget to G17604000.
