This project will expand and resurface the existing volleyball/basketball court combination at Roosevelt Park to accommodate two basketball courts. The project was designed by the Department of Parks and Community Services.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on July 26, 1989. The engineer's estimated construction cost is \$16,600.

FINANCIAL DATA

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$25,500. The current budget is \$30,000, which was approved in the Capital Improvement Program from the General Fund (101). As of July 31, 1989, the funds available for this project amount to \$23,736.

A non-refundable fee of \$10.00 will be charged for each set of plans and specifications to cover reproduction costs.
