

## **RESOLUTION NO. 2014-0299**

Adopted by the Sacramento City Council

September 2, 2014

### **SUSPENDING COMPETITIVE BIDDING IN THE BEST INTERESTS OF THE CITY CONSISTENT WITH SECTION 3.56.230.C OF THE CITY CODE AND AUTHORIZING THE CITY MANAGER, OR HIS DESIGNEE, TO ELIMINATE 6.7 FTE IN DEPT ID 17001311 (OLD SACRAMENTO)**

#### **BACKGROUND**

- A. Maintenance of the Old Sacramento Historic District (“District”) has historically been performed by City employees in the Convention & Cultural Services Department through an office located in the District. Revenue shortfalls and General Fund budget reductions since 2009 have created a structural imbalance in the District budget (17001311), requiring the use of salary savings from holding seasonal maintenance positions vacant and reductions in event-related funding in order to plug annual budget gaps.
- B. The Downtown Sacramento Partnership, Inc. (“Partnership”) currently provides guides and navigators in the District who alert law enforcement to potential criminal activity, direct pedestrians to destinations within the District, and provide information to visitors regarding events and promotions within the District. The Partnership also, in partnership with the City, provides security services within the District between the hours of 10:00 p.m. and 6:00 a.m.
- C. The City would like the Partnership to assume maintenance responsibilities within the District.
- D. City Code section 3.56.230 authorizes the City Council to suspend competitive bidding for the procurement of nonprofessional services when, upon a two-thirds vote of the Council, it is determined that it is in the best interest of the City to do so. Transferring maintenance responsibilities for the District from City staff to the Partnership (as described in the agreement in Exhibit A) will allow the City to tap into the Partnership’s current presence in the District, thereby providing a streamlined, cost-effective, District-tailored approach to maintenance. The Partnership’s maintenance crews can work with the Partnership staff currently onsite—the guides and navigators and security team—to identify immediate maintenance needs (beyond routine tasks) more quickly (e.g., guides can alert maintenance workers to areas requiring attention), remedy nuisances quickly, and provide maintenance staffing that is tailored to the needs of the District (e.g., adjusting work hours to accommodate special events and other high traffic times). The

cost of having the Partnership provide these services is less than that if the City were to continue to provide these services.

- E. No City employees will be laid off as a result of the agreement. Five employees that are currently serving the District will be transferred to the Parks and Recreation Department. One employee will be transferred to the Convention Center.

**BASED ON THE FACTS SET FORTH IN THIS BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

- Section 1. City Council finds and determines that it is in the best interests of the City to suspend competitive bidding for the procurement of maintenance services in the District.
- Section 2. Once positions have been vacated, the City Manager, or his designee, shall eliminate 6.7 fulltime equivalents ("FTEs") from the District's operations and transfer the associated \$413,214 labor budget to the service and supply budget within the District (17001311).

---

The above-named Contractor ("Contractor") hereby declares and agrees as follows:

1. Contractor has read and understands the Requirements of the Non-Discrimination In Employee Benefits Code (the "Requirements") attached hereto as Exhibit E.
2. As a condition of receiving this Contract, Contractor agrees to fully comply with the Requirements, as well as any additional requirements that may be specified in the City of Sacramento's Non-Discrimination In Employee Benefits Code codified at Chapter 3.54 of the Sacramento City Code (the "Ordinance").
3. Contractor understands, to the extent that such benefits are not preempted or prohibited by federal or state law, employee benefits covered by the Ordinance are any of the following:
  - a. Bereavement Leave
  - b. Disability, life, and other types of insurance
  - c. Family medical leave
  - d. Health benefits
  - e. Membership or membership discounts
  - f. Moving expenses
  - g. Pension and retirement benefits
  - h. Vacation
  - i. Travel benefits
  - j. Any other benefit offered to employees

Contractor agrees that if Contractor offers any of the above-listed employee benefits, Contractor will offer those benefits, without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouses and domestic partners of such employees.

4. Contractor understands that Contractor will not be considered to be discriminating in the provision or application of employee benefits under the following conditions or circumstances:
  - a. If the actual cost of providing a benefit to a domestic partner or spouse exceeds the cost of providing the same benefit to a spouse or domestic partner of an employee, Contractor will not be required to provide the benefit, nor shall it be deemed

discriminatory, if Contractor requires the employee to pay the monetary difference in order to provide the benefit to the domestic partner or to the spouse.

- b. If Contractor is unable to provide a certain benefit, despite taking reasonable measures to do so, if Contractor provides the employee with a cash equivalent Contractor will not be deemed to be discriminating in the application of that benefit.

Contractor understands that any delay in the implementation of such policies may not exceed one (1) year from the date this Contract is executed by the City, and applies only to those employee benefits for which an open enrollment process is applicable.
  - f. Until administrative steps can be taken to incorporate nondiscrimination in employee benefits. The time allotted for these administrative steps will apply only to those employee benefits for which administrative steps are necessary and may not exceed three (3) months from the date this Contract is executed by the City.
  - g. Until the expiration of a current collective bargaining agreement(s) if employee benefits are governed by such collective bargaining agreement(s).

  - i. In the event Contractor cannot end discrimination in employee benefits despite taking all reasonable measures to do so, Contractor provides a cash equivalent to eligible employees for whom employee benefits, are not available. Unless otherwise authorized in writing by the City Manager, Contractor understands this cash equivalent must begin at the time the union(s) refuse to allow the collective bargaining agreement(s) to be reopened or not longer than three (3) months after the date this Contract is executed by the City.
5. Contractor understands that failure to comply with the provisions of Section 4(a) through 4(i), above, will subject Contractor to possible suspension and/or termination of this Contract for cause; repayment of any or all of the Contract amount disbursed by the City; debarment for

future contracts until all penalties and restitution have been paid in full and/or for up to two (2) years; and/or the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.

6. Contractor understands and agrees to provide notice to each current employee and, within ten (10) days of hire, to each new employee, of their rights under the Ordinance. Contractor further agrees to maintain a copy of each such letter provided, in an appropriate file for inspection by authorized representatives of the City. Contractor also agrees to prominently display a poster informing each employee of these rights.
7. Contractor understands that Contractor has the right to request a waiver of, or exemption from, the provisions of the Ordinance by submitting a written request to the City's Procurement Services Division prior to Contract award, which request shall identify the provision(s) of the Ordinance authorizing such waiver or exemption and the factual basis for such waiver or exemption. The City shall determine in its sole discretion whether to approve any such request.
8. Contractor agrees to defend, indemnify and hold harmless, the City, its officers and employees, against any claims, actions, damages, costs (including reasonable attorney fees), or other liabilities of any kind arising from any violation of the Requirements or of the Ordinance by Contractor.

The undersigned declares under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that he or she is authorized to bind the Contractor to the provisions of this Declaration.

**3. Time of Performance.** CONTRACTOR shall perform the services outlined in Attachment 1 to Exhibit A beginning October 1, 2014, and ending on June 30, 2017.

Attachment 1 to Exhibit A  
Maintenance  
Scope of Work in the Old Sacramento Historic District

CONTRACTOR shall provide maintenance and janitorial services for the Old Sacramento area (referred to as the "District" and defined in Section 15.112.010 of the Sacramento City Code) so as to ensure the area is kept in a clean and orderly state at all times, and specifically, at a minimum, shall provide the following services:

Maintenance Services

- CONTRACTOR will, at a minimum, perform those functions outlined in Attachment 2 to Exhibit A.
- CONTRACTOR will dedicate 4 full-time and 2 part-time employees (together referred to as "Maintenance Staff") to perform maintenance and janitorial services within the District boundary on a schedule to be approved by the City, acting through the City Manager or his designee. CONTRACTOR will also provide 40% of a supervisor (working lead) and support staff time for an overall total of 12,064 yearly dedicated man hours of service.
- In addition to routine tasks performed by Maintenance staff, CONTRACTOR will use its roving "Guides and Navigators" ("G&N staff") to identify immediate maintenance needs, in order to maintain a higher level of service (i.e. G&N staff will alert Maintenance Staff to maintenance and janitorial needs—e.g. additional needed garbage clean up, etc...)
- Maintenance Staff and G&N staff will work together to identify and remedy nuisance issues (i.e. graffiti, vandalism).
- CONTRACTOR is not responsible for repairing the boardwalks and sidewalks in the District. CONTRACTOR shall, however, notify the City immediately of any damage to the boardwalk and/or need for its repair.
- CONTRACTOR will use a combination of its G&N Staff, Maintenance Staff, and other staff to extend the man hours spent in the District, particularly on weekends and during special events. For example, G&N Staff work early morning hours and can identify non-routine maintenance needs before Maintenance staff begin work. Maintenance staffing can be extended into the busier evening hours by using a mix of CONTRACTOR'S G&N Staff, evening security detail, and Maintenance Staff to identify non-routine needs, particularly on weekends and during special events.
- CONTRACTOR will provide one central telephone number for use by District business owners and tenants to report maintenance, nuisance, safety or other concerns to CONTRACTOR for service.
- CONTRACTOR will utilize its current reporting process and electronic cataloguing to record and report daily issues and overall work product, and provide reports quarterly to the City and District stakeholders, in a form approved by the City.
- Any changes in service proposed by CONTRACTOR that would change the level of service provided to the District are subject to City approval in writing by the City two weeks prior to the proposed implementation of that change.

Service Details

- CONTRACTOR will utilize garbage bags in the on-street containers to maintain service levels and will lock the containers to prevent "dumpster diving". This will result in decreased odors from containers and keep containers cleaner and easier to maintain.
- CONTRACTOR will work with the City's biannual façade cleaning vendor to schedule the façade cleaning so as to minimize disruption and inconvenience to District businesses, tenants, and patrons.
- CONTRACTOR will monitor all lighting in the district and notify the City of lighting issues.

- When replanting of landscaped areas is required, CONTRACTOR will replace current plant species (with the same type when possible).
- CONTRACTOR will clean the waterfront docks.
- CONTRACTOR will place barricades during special events in accordance with the appropriate special event permit.
- CONTRACTOR will work with the City, all event organizers, and OSBA to identify specific event needs above and beyond that outlined in Attachment 2 to Exhibit A and will provide all services necessary to ensure a safe and clean event. CONTRACTOR will adjust hours of operation as necessary to accommodate special events.
- CONTRACTOR will purchase equipment as needed, including two new utility vehicles in the first year of the contract. The cost of these purchases shall be referred to as the Reimbursement Amount. If the City terminates the agreement between October 1, 2014, and March 31, 2015, the City shall reimburse CONTRACTOR for the Reimbursement Amount, up to but not to exceed \$45,000, prorated on a daily basis, such that if the City terminates the Agreement on October 1, 2014, the City shall reimburse CONTRACTOR \$45,000, and if the City terminates on or after March 31, 2015, the City shall not reimburse CONTRACTOR anything. To qualify for reimbursement, CONTRACTOR shall provide documentation, satisfactory to the City, of the purchases.

Notwithstanding the above, the City shall do the following:

- The City will continue to provide the existing garbage services from the trailers located at the horse pit for CONTRACTOR's use.
- The City will continue to provide the existing equipment storage areas in lot W (Old Sac Parking at 2nd and I) for CONTRACTOR's use.
- The City will continue to provide the existing storage containers located in Old Sacramento for CONTRACTOR's use.

In addition, the City hereby grants, transfers, and conveys the equipment described in Exhibit C ("City Equipment"), which the City has previously used to maintain the District, to CONTRACTOR. CONTRACTOR has inspected the City Equipment and accepts it in its existing condition, without any express or implied warranties of any kind from the City. Should that equipment fail or no longer be fit for service during the course of the Agreement, the City has no obligation to replace that equipment or compensate CONTRACTOR for its failure. If the City terminates the prior to March 31, 2015, CONTRACTOR shall transfer the City Equipment back to City.

**EXHIBIT D**  
**NONPROFESSIONAL SERVICES AGREEMENT**

**GENERAL PROVISIONS**

**1. Independent Contractor.**

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations hereunder, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.
- D. The provisions of this Section 1 shall survive any expiration or termination of this

Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that

are valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. A violation by CONTRACTOR of this Section 6 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

**7. CONTRACTOR Information.**

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret"

designation of such information.

- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

- 8. **Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

9. **Term; Suspension; Termination.**

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time upon 30 days written notice to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
  - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.

- (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

**10. Indemnity.**

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

- 11. Insurance Requirements.** During the entire term of this Agreement, CONTRACTOR shall maintain the insurance coverage described in this Section 11.

Full compensation for all premiums that CONTRACTOR is required to pay for the insurance coverage described herein shall be included in the compensation specified for the Services

provided by CONTRACTOR under this Agreement. No additional compensation will be provided for CONTRACTOR's insurance premiums.

### REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

#### INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

#### APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

#### DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation,

street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

#### **CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION**

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

#### **EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS**

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directly on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”

(c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as Attachment “B.”

II - WHO IS AN INSURED

5. AUTOMATIC ADDITIONAL INSURED(S)

a. Additional Insured - Manager or

- (i) This policy is amended to include as an insured any person or organization (hereinafter called Additional Insured) from whom you lease or rent property and which requires you to add such person or organization as an Additional Insured on this policy under:

(a) a written contract; or

(b) an oral agreement or contract where a Certificate of Insurance showing that person or organization as an Additional Insured has been issued;

but the written or oral contract or agreement must be an "insured contract," and,

(i) currently in effect or become effective during the term of this policy; and

(ii) executed prior to the "bodily injury," "property damage," "personal and advertising injury."

- (2) With respect to the insurance afforded the Additional Insured identified in Paragraph A.(i) of this endorsement, the following additional provisions apply:

(a) This insurance applies only to liability arising out of the ownership, maintenance or use of that portion of the premises leased to you.

(b) The Limits of Insurance applicable to the Additional Insured are the lesser of those specified in the written contract or agreement or in the Declarations for this policy and subject to all the terms, conditions, and exclusions for this policy. The Limits of Insurance applicable to the Additional Insured are inclusive of and not in addition to the Limits of Insurance shown in the Declarations.

(c) In no event shall the coverages or Limits of Insurance in this Coverage Form be increased by such contract.

(d) Coverage provided herein is excess over any other valid and collectible insurance available to the Additional Insured whether the other insurance is primary, excess,

contingent or on any other basis unless a written contractual arrangement specifically requires this insurance to be primary.

(3) This insurance does not apply to:

- (a) Any "occurrence" or offense which takes place after you cease to be a tenant in that premises.
- (b) Structural alterations, new construction or demolition operations performed by or on behalf of the "Additional Insured."

**b. Additional Insured - Funding Sources**

(1) This policy is amended to include as an Insured any Funding Source which requires you in a written contract to name the Funding Source (hereinafter called Additional Insured) as an Insured but only with respect to liability arising out of your premises, "your work" for such Additional Insured, or acts or omissions of such Additional Insured in connection with the general supervision of "your work" and only to the extent set forth as follows:

- (a) The Limits of Insurance applicable to the Additional Insured are the lesser of those specified in the written contract or agreement or in the Declarations for this policy and subject to all the terms, conditions, and exclusions for this policy. The Limits of Insurance applicable to the Additional Insured are inclusive of and not in addition to the Limits of Insurance shown in the Declarations.
- (b) The coverage provided to the Additional Insured(s) is not greater than that cus-

tomarily provided by the policy forms specified in and required by the contract.

At our request, the Insured will bring "suit" or transfer those rights to us and help us enforce them.
