March 5, 2016

Dear Mayor Johnson & Members of the City Council:

The Washington Park Improvement Group is concerned about the possible conflict of interest involving some members of the City Council due to their direct and indirect relationships with Mutual Housing.

We ask that each City Council Member and the Mayor publicly state whether or not they spoke with Mutual Housing about agenda item #17 on the March 8, 2016 City Council agenda. Also, any other relationships past and present they've had with Mutual Housing that could constitute a conflict of interest and or a Brown Act violation.

After City Council members disclosure we ask the City Attorney to advise those members if they should recuse themselves from participating and voting on item #17.

Councilman Steve Hansen co-hosted a fundraiser with Rachel Iskow the CEO of Mutual Housing for the reelection of Assemblyman Kevin McCarty.

There are several people who are in government employment who have close ties with Mutual Housing.

Sincerely,

Martha Damjanovic
