Honorable Members In Session:

OFFICE OF THE
CITY CLERK

916-449-5282

SUBJECT: STEEL WATER MAIN REPLACEMENT - TERRA BONITA VISTA/FRUITRIDGE
ROAD, FREEPORT BOULEVARD AND CLAUDIA DRIVE (PN:ZB61-1)
- PROJECT APPROVAL AND BID ADVERTISEMENT

SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

BACKGROUND

This project involves the installation of 6 and 8-inch diameter water main pipe in an existing developed area. The new water main replaces existing thin wall steel water main pipe that is substandard and leaking. The project will also include the installation of new water services to the abutting properties.

The new water main will be installed within public street rights-of-way or easements and will replace existing water mains installed in backyards.

The project was designed by the Water Division of the Department of Public Works.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on February 7, 1991. The engineer's estimated construction cost is \$353,100.

FINANCIAL DATA

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$406,000. The current budget is \$895,000, which was approved in the Capital Improvement Program from the Water fund (413). The funds available for this project amount to \$419,000, as of April 23, 1991.

City Council
Steel Water Main Replacement - Terra Bonita Vista/
Fruitridge Road, Freeport Blvd. and Claudia Drive (PN:ZB61-1)
May 7, 1991

A non-refundable fee of \$15.00 will be charged for each set of plans and specifications to cover reproduction costs.

POLICY CONSIDERATIONS

This action is consistent with Chapter 58, Article III, Section 58.301 concerning advertisement for bids.

MBE/WBE EFFORTS

Plans and specifications will be sent to nineteen (19) plan rooms and construction services organizations for publication and use by the construction industry of Northern California. There are four (4) organizations on the distribution list that are directly involved with the MBE/WBE contractors.

RECOMMENDATION

It is recommended that the City Council approve the plans and specifications for this project and authorize the City Clerk to advertise for bids to be received on June 4, 1991.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager

Recommendation Approved:

WALTER J. SLIPE
City Manager

Approved:

MELVIN H. JOHNSON
Director of Public Works
