SUBJECT: CANCELLATION OF BID NO. 1251

OFFICE OF THE  
CITY MANAGER

SUMMARY

The Communications Division of General Services has requested authorization to enter into a contract for the production of a Communications Master Plan with a cost estimate of \$20,000.00.

BACKGROUND INFORMATION

On June 28, 1988, the City Council adopted specifications for Bid No. 1251, Telecommunications Master Plan Consultant Services. It was the department's intent to solicit proposals from qualified consultants for the development of a telecommunications master network plan that would comprehensively identify the City's voice and data needs over the next five to seven years.

However, the proposals submitted by consulting firms did not meet the expectations of the Communications Division and all proposals exceeded the available budget.

RECOMMENDATION

It is recommended that, pursuant to Section 57.307 of the Sacramento City Code, the City Council cancel Bid No. 1251 and re-bid for Telecommunications Master Plan Consultant Services at a later date.

Respectfully Submitted,

*Frank Mugartegui*
