RE: MARY NICOLAUS'S VEHICLE

On Jan. 10th, 1984, I was a front seat passenger with Mary Nicolaus, who was driving her Buick. While we were traveling west on Highway 50 near Howe exit, I observed a foreign object fly and hit her windshield. Upon hearing the noise of the object's impact, I quickly looked to see where it came from while the driver pulled the vehicle to the side of the highway. I noted that the truck traveling slightly ahead of us where the object appeared to originate from was a City of Sacramento truck. Upon stopping, we examined the windshield and found it to be chipped.

If you should have any questions regarding this matter, please feel free to contact me.

Sincerely,

Phyllis A. Herda LCSW
