City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Downtown Plaza Parking Garage
Ventilation System and Fire Protection System Revisions

SUMMARY:

The Director of Public Works office has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND:

The subject project has been undertaken to increase the capacity of the ventilation system in the underground garage to prevent injury to the employees working there and to the public using the facility. The fire protection system will be upgraded to meet the latest codes and recommendations of the local authorities.

FINANCIAL:

The City Council has approved \$526,000.00 in the Public Works Budget from the Sacramento Housing and Redevelopment Agency Capital Improvement Fund for the subject project. The total amount currently available for this project is \$493,843.84. The current estimated construction cost is \$759,300.00. Since the estimated construction cost exceeds the amount budgeted, no budgetary recommendation will be made until receipt of bids.

RECOMMENDATION:

It is recommended that the plans and specifications be approved and that bids be

APPROVED
BY THE CITY COUNCIL
