SUBJECT: North Natomas Interchanges at I-80/Truxel Road and I-5/North
Market Blvd. - Project Approval and Fund Appropriation

SUMMARY

The City has received funds to obtain right-of-way appraisals for the subject interchanges. Approval of the projects and fund appropriations is recommended.

BACKGROUND

The City has received funds to obtain right-of-way appraisals for the I-80/Truxel Road and I-5/North Market Blvd. freeway interchanges. Project design is currently in progress by Dokken Engineering under a private contract with Private parties and funding agreements with Caltrans and developers for right-of-way acquisition and construction are being prepared.

It is expected that interchange construction will be administered by the State of California and financed with private funds.

FINANCIAL DATA

A sum of \$35,000 has been received for obtaining right-of-way appraisals. Additional funding will be required for right-of-way acquisition.

The property owners may be reimbursed all or a portion of the funds advanced for the right-of-way appraisals of these interchanges. The reimbursement mechanism for the interchanges is the subject of a reimbursement agreement currently under review.
