City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Tentative Agreement in Traffic Engineering Unit

SUMMARY

The City of Sacramento and the Auto, Marine and Specialty Painters, Local 1176, have reached tentative settlement on a new agreement covering 22 employees in the Traffic Engineering Unit for the period December 14, 1982 to June 22, 1984. The Union membership has ratified the tentative agreement. The major features of the tentative agreement in the first and second years are:

First Year

1. There will be no salary increase. The present salary rates will remain frozen for the first year.
2. Effective September 1, 1982, the City's monthly contribution for health and dental insurance benefits will increase by \$33.44, thereby changing the monthly contribution from \$140.06 to \$173.50 per employee.
3. Effective January 1, 1983, the City-sponsored Kaiser Plan will be "S" coverage.
4. Employees who are required to wear uniforms will be provided clean uniforms five days per week rather than the present practice of three clean uniforms per week.
5. Maximum reimbursement for required safety shoes has been increased from \$60 to \$65 per pair.
6. Where a proposed layoff would reduce minority and/or females in the Traffic Engineering Unit, the City may invoke an alternating layoff and recall ratio after the City Council has held a public hearing and has determined that the proposed layoff by straight seniority would have an adverse effect upon minority and/or female employees in the Traffic Engineering Unit.

Second Year

1. Effective June 25, 1983, there will be an 8% across-the-board salary increase.
2. Effective July 1, 1983, the City's monthly contribution for health and dental insurance benefits will increase by the amount of increase in the full family premium rates for City-sponsored Kaiser "S" and Traveler's Dental plans.
3. The City shall have the right to institute a composite rate for each City-sponsored health and dental plan beginning with Fiscal Year 1984-85.

FINANCIAL IMPACT

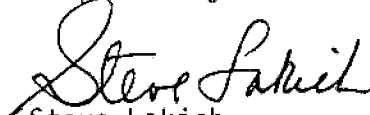

The first year projected cost increase is \$8,100.

Based on budget data, the projected additional increase for the second year is \$47,500, excluding any increases in the City's insurance contributions. To give consideration to insurance increases in the second year, if Kaiser "S" and Traveler's Dental plans were to increase a total of \$10 per month, there would be an additional cost of \$2,600 for Fiscal Year 1983-84. The second-year cost projection covers the increased City expenditures to the retirement systems, including the unfunded liability.

RECOMMENDATION

It is recommended that the City Council approve the attached agreement covering employees in the Traffic Engineering Unit.

Respectfully submitted,

Steve Lakich
Director of Employee Relations

Therefore, the City and the Union, for the duration of this Agreement and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to negotiate with respect to any subject or matter, whether or not referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

c. This Article shall not be construed so as to prevent the parties from mutually agreeing, in writing, to reopen a provision or provisions in this Agreement, so long as reopened provisions are specified in the parties' mutual reopened agreement and other provisions in this Agreement continue in full force and effect.

If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee to pay for the remaining amount. Failure to do so before the end of the calendar month including such paycheck(s) shall automatically drop the employee from the health and dental insurance program until the next open enrollment period.

d. Effective January 1, 1983, the City-sponsored Kaiser Plan will be "S" coverage (Drug III, Optical A, and Dependent Code 2).

e. Effective July 1, 1983, the City will increase the maximum monthly insurance contribution as set forth in Section (a) above by a dollar amount equal to the increase in the full family premium rates for the City-sponsored Kaiser "S" and Traveler's Dental plans. b. The City maintains the right to specify the type of required safety shoe.

24. SAFE DRIVING INCENTIVE PROGRAM

The City agrees to continue the current safe driving incentive program for permanent employees.

ARTICLE XII
LAYOFF

25. PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

DEFINITIONS

a. Layoff

A layoff shall be defined as the dismissal or displacement of at least one (1) employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

- (1) Classification Seniority: Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay (Step E) is greater than the top rate of pay (Step E) of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position been reallocated in accord with applicable Civil Service rules, classification seniority shall be mutually established by the City and the Union.
- (2) City Service Seniority: City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position.
- (3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service.
- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
 - (a) Resignation, provided that any employee who is re-employed and completes a probationary period, if any, in the position to which he/she was reinstated may count the seniority which he/she accumulated prior to resignation.
 - (b) Discharge.
 - (c) Retirement.
 - (d) Layoff in excess of five (5) consecutive years out of the City service.

- (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade

A downgrade shall be defined as a change in job classification to which the top rate of pay (Step E) is the same or less than the top rate of pay (Step E) of the employee's present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 27 (c) of this Article.

d. Regression Ladder

A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladder for the Traffic Engineering Unit is as set forth below:

- Traffic Supervisor
- Traffic Worker III
- Traffic Worker II
- Traffic Worker I

e. Permanent Status

For the purposes of this layoff procedure permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification.

27. PROCEDURE

a. Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.

b. Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Rules. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.

c. Any permanent employee who is to be laid off or displaced shall have the right to downgrade in descending order, to job classifications within his/her regression ladder, provided that: (a) the employee meets all of the qualifications of the lower classification, and (b) can displace an employee in the lower classification. If there are any provisional employees in such lower

classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.

d. An employee may accept a layoff in lieu of the opportunity to downgrade by written notification to the Department of Employee Relations within 48 hours of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

e. If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.

f. The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

28. NOTICE OF LAYOFF

In the event of layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least fourteen (14) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address currently printed on the employee's paycheck, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. However, the employee who is on sick leave or injury-on-duty status on the date of the layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.

29. SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than Step "E", future salary step adjustment shall be made in accordance with City Code Section 2.97 "Advancement in Rate of Compensation" with time served in the class from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher class less than that received in the lower class, provided however, that upon subsequent placement in the class from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the class to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in Exhibits A and A-1 to this Agreement.

30. FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees laid off who are enrolled in City insurance programs may continue elected coverage for a period up to six (6) months by advanced personal remittance for each month's total premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Employee Services Division on the request of laid off employees.

31. RECALL

a. When a vacancy occurs in a job classification, the laid off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of layoff from that job classification. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of one (1) year from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the

classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5) year period shall gain permanent status for purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid-off/downgraded employee. To expedite recall, more than one (1) employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under Section 26 (b) of this Article.

32. GENERAL

The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

33. ALTERNATE LAYOFF PROCEDURE

a. The City and the Union recognize that past discrimination may continue to deprive individuals of equal opportunity where individuals are laid off on the basis of seniority or rank on an eligible list for an entry-level class. If, therefore, the City determines that a proposed layoff would under this Article reduce minority and/or female employment in the Unit, and minorities and/or females are under-utilized in the Unit (below 31 percent minority and/or 42 percent female), the City may then, subject to the procedure hereinafter set forth, layoff and recall Unit employees in a manner other than as set forth in this Article. In the event that the City wishes to invoke the alternative layoff procedure set forth in this Section, all of the following conditions must be met in each instance where layoffs may occur:

- (1) The City shall notify the Union, at least fifteen (15) calendar days prior to the planned layoff, that it intends to invoke the alternative layoff procedure; and
- (2) The City Council shall hold a public hearing, which hearing results in a finding that such past discrimination has

occurred, or that there is another compelling governmental interest in invoking the alternative layoff procedure; and

- (3) The City Council further finds that implementation of the alternative layoff procedure serves the compelling governmental interest so determined, and is the least intrusive means of addressing and serving that interest.

b. In the event that all of the above requirements are satisfied, the City Council shall adopt, after the hearing specified above, an alternating layoff and recall ratio among the least senior members of the Unit.

ARTICLE XIII MISCELLANEOUS

34. UNIFORMS

The City agrees to provide clean uniforms to employees in the Traffic Engineering Unit five days a week, (5-5-1), at no cost to the employee.

The City further agrees that for purposes of increased safety it will arrange to provide red-colored shirts to employees regularly working in streets.

35. STRIKES AND LOCKOUTS

For the duration of this Agreement, the Union and its members agree that it shall not call, sanction or engage in any strike, slowdown, suspension or stoppage of work activity, and the City agrees that it shall not cause or engage in any lockout.

36. SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

37. DEFERRED LUMP SUM PAYMENT

An employee who retires from the City may request to defer the lump sum payment on vacation accumulation, holiday credit, and sick leave buy-out until the next calendar year after the date of retirement. Upon such request, the City will defer such lump sum payment to the month selected by the employee in the next calendar year. The amount of lump sum payment shall be the same as the employee would have received upon retirement and with no interest.

38. TERM

a. This Agreement shall remain in full force and effect from December 14, 1982 to and including June 22, 1984.

b. The provisions of this Agreement shall be effective on the effective date stated above except as otherwise specifically provided.
