Honorable Members in Session:

**SUBJECT:** Modification of the Mercy Hospital Residential Parking Permit Area by Adding the North Side of J Street from 41st Street, West 100 Feet.

### SUMMARY

This report recommends the addition of the north side of J Street from 41st Street, west 100 feet, to the Mercy Hospital Residential Parking Permit Area.

### BACKGROUND

The residence located at 41st Street and J Street is restricted by "No Parking" on 41st Street. There is no parking restriction on J Street. Parking survey studies show a 100% curb occupancy daily on the J Street side, thereby providing no parking areas adjacent to this residence for use by the resident. Based on a request to add this street segment to the Mercy Hospital Residential Parking Permit Area and the survey data, it is recommended that the north side of J Street from 41st Street, west 100 feet, be included in the Mercy Hospital Residential Permit Parking Program in accordance with Sacramento City Code 25.185.

### FINANCIAL DATA

The costs to implement operate and maintain this small additional area will be absorbed into the existing budget.
