Sac Police Dept. provided fake investigation report for my father Woon Kwong On's death case and covers up the true driver that killed my father. There is no office inside Sac City Government taking action against Sac Police Dept. I have filed two complaints to Sac Ethics Commission for Sac Police Dept and Sac City Manager City Office/Office of Public Safety and Accountability. But both complaint filing were rejected.

I support the following:

(1) pass a motion to direct the Evaluator to conduct further investigation on Sacramento City's investment portfolio to determine whether or not the matter is fully outside the jurisdiction of the city as its report claims,

(2) pass a motion to direct its Administration, Investment and Fiscal Management Board to enforce socially responsible investments which include not having direct investments in corporations such as Caterpillar, Barclays Bank and Amazon as well as other corporations profiting from ongoing human rights violations in Palestine.

Re: Woon Kwong On's Death Case 10-23-1999 at 6<sup>th</sup>/W Street, Sacramento

Ethics complaint Sacramento City Manager Mr. Howard Chan, Assistant City Manager Mr. Mario Lara, and Office of Public Safety and Accountability (OPSA) Director Dr. LaTasha Watson for possible corruption and collusion on covering up the driver's name that killed my father Woon Kwong On.

I have emailed Mr. Howard Chan and Mr. Mario Lara since September 2023 and I met with Mr. Mario Lara on 01-29-2024 at Sacramento City Hall about SPD covered up the truth of my father's death. I even talked with them during different Sacramento City Council Meeting about the case.

I also emailed OPSA Director Dr. LaTasha Watson on 05-09-2024 about the fake investigation reports. However, they all didn't take any action against SPD. Below is the information about the case.

It has been 9 months since I started contacting SPD on 08-03-2023, as of today I am not able to get the driver's name that killed my father Woon Kwong On. \_\_\_\_\_?\_\_\_\_\_ was the driver that killed Woon Kwong On at 6<sup>th</sup>/W Street on 10-23-1999 morning.

SPD Chief Ms. **Katherine Lester** refused to issue a letter to me with her signature to confirm:

\*\*\*\*\*

“Mr. Jone Soo Fong **was OR was not** the driver that killed Woon Kwong On at W/6th Sacramento on October 23, 1999. It was a hit-and-run case.

I, Ms. Katherine Lester, Sacramento Police Chief, declares under penalty of perjury that the information is true and correct.”

\*\*\*\*\*

On 11-9-2023, I met with SPD Deputy Chief Mr. **Daniel Monk** in person at SPD Richard Blvd Office but he hadn't provide any information. SPD Captain **Brian Kinney** offered to delivery the real reports for my father's death to my home. However, Captain Kinney ignored my request to bring the reports to the Sacramento City Council Meeting on 04-30-2024 to present the reports in front of camera with all Council Members. He didn't take the report to the Council is a proof of the reports he has are fake and can't be showed in public.

On 05-03-2024, SPD Captain Brian Kinney even emailed me fake investigation reports 99-83081 and 99-83121 to me. Sacramento Assistant City Manager **Mr. Mario Lara** also received the email from Captain Kinney. The back of this letter are the skeptical of the reports from Captain Kinney. I also attached the Form SPD810 to indicate report 99-83081 and 99-83121 are not for my father's death.

Why Mr. Howard Chan, Mr. Mario Lara, and Ms. LaTasha Watson didn't take any action against SPD? Thanks for upholding justice!

- Report number 99-83081 is a CHP Traffic Collision Report and is State Highway Related. Woon Kwong On was walking from 819 U Street to 6<sup>th</sup>/W Street. How was it related to State Highway? 6<sup>th</sup>/W Street is one block away from on ramp of I5 and has two traffic lights. W Street is one way road from East to West. The off ram of I5 is on X Street which is one way road from West to East. SPD was on scene first before the CHP.

- No page states "Jone Soo Fong" was the driver that killed "Woon Kwong On" on SPD forms and CHP forms. The report conclusion only used "VICTIM/PEDESTRIAN" but not "Woon Kwong On".
- On report 99-83121 Form SPD105, the SPD officer only wrote "Fong" admitted to being the responsible driver. It doesn't clear state "Fong" responsible for killing "Woon Kwong On". The whole report 99-83121 doesn't not have the full name "Jone Soo Fong" on any page, therefore "Fong" could be any person called "Fong" but not "Jone Soo Fong".
- All emails from SPD Deputy Chief Mr. Daniel Monk and Capitan Mr. Brian Kinney never included the name "Jone Soo Fong".
- Provide fake information is an obstruction of justice/criminal investigation.
- Help SPD to cover up the truth of my father's death and the name of the driver's that killed my father Woon Kwong On are also criminal activities. Mr. Howard Chan, Mr. Mario Lara, and Ms. LaTasha Watson know about the fake investigation reports but didn't take any action against SPD is a collusion behavior and possible corruption is involved.

Ethics complaint Sacramento City Manager Mr. Howard Chan, Assistant City Manager Mr. Mario Lara, and Office of Public Safety and Accountability (OPSA) Director Dr. LaTasha Watson for breaking "Public Trust" of their powers and authorities to protect the benefits of public. Thank you for the email below. I apologize that you believe that the service you have received thus far from the city has been less than satisfactory.

Unfortunately, the Office of Public Safety Accountability is an independent office and does not direct the Chief of Police. The Sacramento Police Department Chief of Police reports directly to the Assistant City Manager Mario Lara and the City Manager Howard Chan.

I did note that the Assistant City Manager Mario Lara previously responded to a concern from you. The City Manager's Office is your point of contact regarding the concerns you have raised.
