COUNCIL REAPPORTIONMENT COMMITTEE

Considering the interest in this subject I have decided to appoint a Committee of the Whole, chaired by Tom Hoerber, to conduct the various public hearings and preparatory work prior to consideration of any plan by the Council.

The first responsibility of the Committee will be to develop a timetable of public hearings, material preparation and so forth. Hopefully, this can be done by February 9, 1981. Thereafter, the hearings can start.

Naturally, all members of the Council will be voting members of the Committee. However, it may be that some members may wish to attend only some of the initial meetings.
