R. H. PARKER
CITY ENGINEER

J. F. VAROZZA
ASSISTANT CITY ENGINEER

January 17, 1980

City Council
Sacramento, California

Honorable Members in Session:

Subject: Approval of Plans and Specifications for
Tree Trimming for Clearance of Fire Alarm Aerial Wires

SUMMARY

The City Engineer's office has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND

The plans and specifications for this project were first presented to Council on December 26, 1979. Bids were to be received on January 15, 1980. No bids were received on that date. The Engineer has elected to reschedule the plans and specifications after talking to some contractors about the lack of bids.

FINANCIAL DATA

IN FY 1979-1980 the City Council approved in the Fire Alarm Activity, Facility Maintenance budget \$15,600 for the subject project. Total amount currently available for this project is \$15,600. The current estimated completion cost is \$15,600.

RECOMMENDATION

The City Engineer recommends that the plans and specifications be approved and that bids be received on February 12, 1980.

Respectfully Submitted

R. H. PARKER
City Engineer
